MEMORANDUM

TO: New York State Incident-Based Reporting Agencies
FROM: New York State Crime Reporting Program
DATE: April 2, 2025
SUBJECT: IBR Code Changes in the Coded Law File

REPORTING ALERT:

IBR CODE CHANGES IN THE CODED LAW FILE

The Federal Bureau of Investigation (FBI) has announced that a reclassification of NIBRS Codes will be implemented in 2025. NIBRS codes 11A – Rape, 11B – Forcible Sodomy, 11C – Sexual Assault with an Object and 11E, Course of Repeated Sexual Contact, had previously been coded separately. Going forward, NIBRS codes 11B, 11C and 11E will be reclassified to 11A for reporting purposes.

To ensure that all submitted incidents are accepted by the FBI, the Coded Law File has been updated with a re-coding of all previously classified 11B, 11C, and 11E offenses to 11A. This reclassification has impacted 161 laws in the Coded Law File.

These changes will be reflected in the technical files of the Coded Law File in the next release. Please sign up to be notified when the next release is available.
