

Attachment A-2, PROGRAM SPECIFIC TERMS AND CONDITIONS:

The following terms and conditions apply only to the Contractors receiving funds under the identified program:

County Re-entry Task Force (CRTFs)

The Contractor agrees that, as part of DCJS' crime reduction strategy initiatives, each County Re-entry Task Force will develop a formal interactive relationship with other crime reduction strategies in their county.

The Contractor must work towards the development of a comprehensive array of reentry services within the county to ensure that the individual needs of all returning individuals can be appropriately addressed. The Contractor shall review all services proposed by subcontractors for compliance with evidence-based practices.

In addition to services designed to meet the basic needs of returning persons, the Contractor will ensure that the county's network of services include those that address criminogenic needs, have been evaluated for effectiveness in achieving their desired outcomes, and comport with evidence-based interventions for people who have offended. Examples include, but are not limited to, the provision of Thinking for a Change (T4C) and Offender Workforce Development Specialist (OWDS) Programming which may be evaluated as part of the Contract with the Contractor.

Crimes Against Revenue Program (CARP)

The Contractor, in cooperation with DCJS, the Department of Taxation and Finance (DTF) and/or any other state agencies where applicable, will publicize noteworthy prosecutions to promote deterrence.

The Contractor shall enter into a signed Memorandum of Understanding (MOU) with DTF and other agencies if appropriate, to set forth roles, responsibilities and coordination between the parties with respect to the investigation and prosecution of tax crimes and other fraud that can adversely affect governmental revenues.

Gun Involved Violence Elimination (GIVE) Initiative

The Contractor agrees that if funding is being provided for the implementation of any other DCJS crime reduction strategies within the same jurisdiction, the implementing agency will coordinate their GIVE strategy with those other initiatives.

Participating agencies receiving funding through the GIVE Initiative will be required to participate in a GIVE program evaluation. This may require agencies to provide DCJS or its contractors with data and information relating to jurisdictional GIVE operations, initiatives, and enforcement efforts.

The Contractor agrees to comply with all program requirements including those outlined within the GIVE Guidance Document.

Participating law enforcement agencies receiving GIVE funds shall enforce the provisions of Orders of Protection, particularly with respect to those provisions prohibiting the ownership or possession of firearms, when so ordered in family or criminal court and served upon the defendant and will enforce the firearms prohibition of the federal Violence Against Women Act.

Participating police departments will attend monthly meetings, at a minimum, with the SNUG program manager or his/her designee and regional crime analysts to discuss firearms related crime, gang activity, and violence. Meeting frequency may be increased at the discretion of DCJS based on shootings, homicides, and the incidence of violent crime within a jurisdiction.

Participating police departments will develop writing protocols detailing established procedures to notify the SNUG program manager or his/her designee of all shootings and/or homicides within 24 hours of each incident. The written procedures must be submitted to DCJS with the first Quarterly Progress Report.

Participating police departments will provide DCJS an annual report detailing a year-to-year comparison of shootings and homicides for the current GIVE Contract period and the two preceding GIVE Contract periods for the target area(s) and the entire city. This annual comprehensive report will be due on the last day of the month following the expiration date of the Contract.

Motor Vehicle Theft and Insurance Fraud (MVTIF) Program

The Contractor shall expend funds in a manner that is consistent with the MVT/MVIF Plans of Operation

New York State Defenders Association (NYSDA)

Any income, including interest, arising from state funds paid to the NYSDA shall be used to pay for the cost or expansion of tasks to be performed as part of the NYSDA's programs or projects, provided that all such income shall first be used to reimburse the NYSDA for monies expended from its general fund to support the Backup Center services.

Whenever possible, the NYSDA and its employees shall seek state rates for travel, meals, and lodging. Where such rates are not obtainable, NYSDA employees must provide three quotes demonstrating reasonableness of price for alternate travel, meals, and lodging, except when seeking lodging at the venue of a conference essential to the NYSDA program. In which case the NYSDA shall document the conference arrangements and rates for travel, meals, and lodging.

Upon DCJS request, the NYSDA will arrange for DCJS personnel to attend the NYSDA trainings and conferences offered for the purposes of program and contract monitoring. The parties of this Contract understand that nothing in this Contract shall be construed to preclude or impair the right of the NYSDA attorneys to act in the best interest of their clients. In providing access to records and submitting reports required pursuant to the provisions of this Contract, the NYSDA shall, in accordance with its professional responsibility under the New York Rules of Professional Conduct (see 22 NYCRR Pt. 1200), protect the confidences and secrets of its clients, including the clients of the attorneys to whom the NYSDA provided assistance or services. No record or report shall be deemed deficient because of the omission of information, the provision of which would result in the disclosure of any such confidences or secrets or would otherwise compromise the interest of any client.

In serving as the Public Defense Backup Center and a clearing house for information relating to the provision of public defense services, NYSDA will review, assess, and analyze the public defense system and advance the rights and interests of public defense clients and public defense attorneys.
