State of New York  
Police Officers Memorial

**Roll of Honor**

**The Memorial wall is divided into twenty-two panels lettered A - V at the base of the wall from right to left. Each panel is divided in half and identified as either top or bottom. To find the name of a fallen officer, locate the officer's name in the Roll of Honor, and then read to the far right to determine the panel and whether they are listed on the top or bottom. Names on the wall are placed randomly and without rank, as every officer's sacrifice is the same.**
