There was one question received in response to this IFB:

1. The invitation lists a requirement of up to 200 users for DCJS; however, the services previously provided were for specific Crime Analysts Centers (listed below). Please clarify if the intention of the Bid is for these specific Crime Analysis Centers, *only*, as in years past:

- Monroe
- Onondaga
- Erie
- Oneida
- Broome
- Niagara
- North County
- Albany
- Hudson Valley
- Suffolk

ANSWER: The 200 users are indeed Crime Analysis Center staff. There are 11 Crime Analysis Centers where services need to be provided. Services are required at all the centers listed above as well as the New York City Crime Analysis Center.
